Monsieur Milko Vuille
Managing Director
ACARSA Sàrl
Rue des Vignolants 6

2000 Neuchâtel

Lausanne, December 16th, 2005

Letter of intent

By the present letter, the *Programme de Liaison Alliance* intends to express his full support to ACARSA, based in Neuchâtel, Switzerland, and to his director Mr. Milko Vuille, as well as his concern and keen interest in exploring opportunities for technical and scientific collaboration.

Such collaboration could namely take the form of a research, development or test project, which would be carried out by a Partner of Alliance within an expedition organized by ACARSA or during his preparation, under technical, legal and financial modalities which will have to be defined in further steps.

The Partners of "Programme Alliance"

EPFL coordinates the consortium and manages the related infrastructure
EPFL (Ecole polytechnique fédérale de Lausanne/ Swiss Federal Institute of Technology)
UNIGE (Université de Genève)
